Column definition

Name	Visible	Sort	Full Text	Explanation
Colour code	ForceVisible			Green if unread
Date	Visible	DESC		DD.MM.YYYY
Text	Visible		Yes	
Type	VisibleOnlyLandscape			

Customer columns (only present if accessed via start dashboard.)

Name	Visible	Sort	Full text	Explanation

Colour code	Forced			Purple: Key account Blue: Prospect, transfer customer, new customer Red: Delivery block Orange: Not assigned Purple has the highest priority Blue is before "Not assigned" and before delivery block. That means a not assigned prospect with delivery block is shown in blue. A "Not assigned" customer with delivery block is shown in orange.

Promotion summary

The entry is marked as read. Additionally, the following action can be performed.
Attention! Most actions require that the record is still present on the device. However, it is possible that after logging, the record disappears again. The entry will then still be displayed. However, an action is no longer possible.

Type	**Action**	**Explanation**
New document	Opens the document	A new document was made available in DeDeSales by import.
Item cancelled	Opens the document	An item in an order (document) was marked with the status cancelled.
DAILY REPORT released	Opens the DAILY REPORT	In the DeDeSales backend, a previously completed DAILY REPORT by the field service was reopened.

Type	Action	Explanation
New customer	Opens the customer	If the client receives a new "Assigned to an agent" debtor, this is noted accordingly.
Customer note changed	Opens the customer	There was a change in the notes of a customer.
New product	Opens the product	If the client receives a new product, this is noted here accordingly.
Product status changed	Opens the product	The status of a product was changed. Which status change generates an entry must be configured in the backend under Basic configuration \ Settings \ "Product status generates new information".
New job	Opens the job	A new job was made available for the employee.
New order template	Opens the order template	A new order template was made available for the employee.
New file	Opens the file	A new file was made available for the employee.
