Level 5 - Subpage in Pages

It is possible to add further branching for SingleChoice / MultiChoice and Dropdown lists depending on the Replies.

Advanced example with nested subpages. We ask about 4 Colours and want to extend each Reply with justifications.

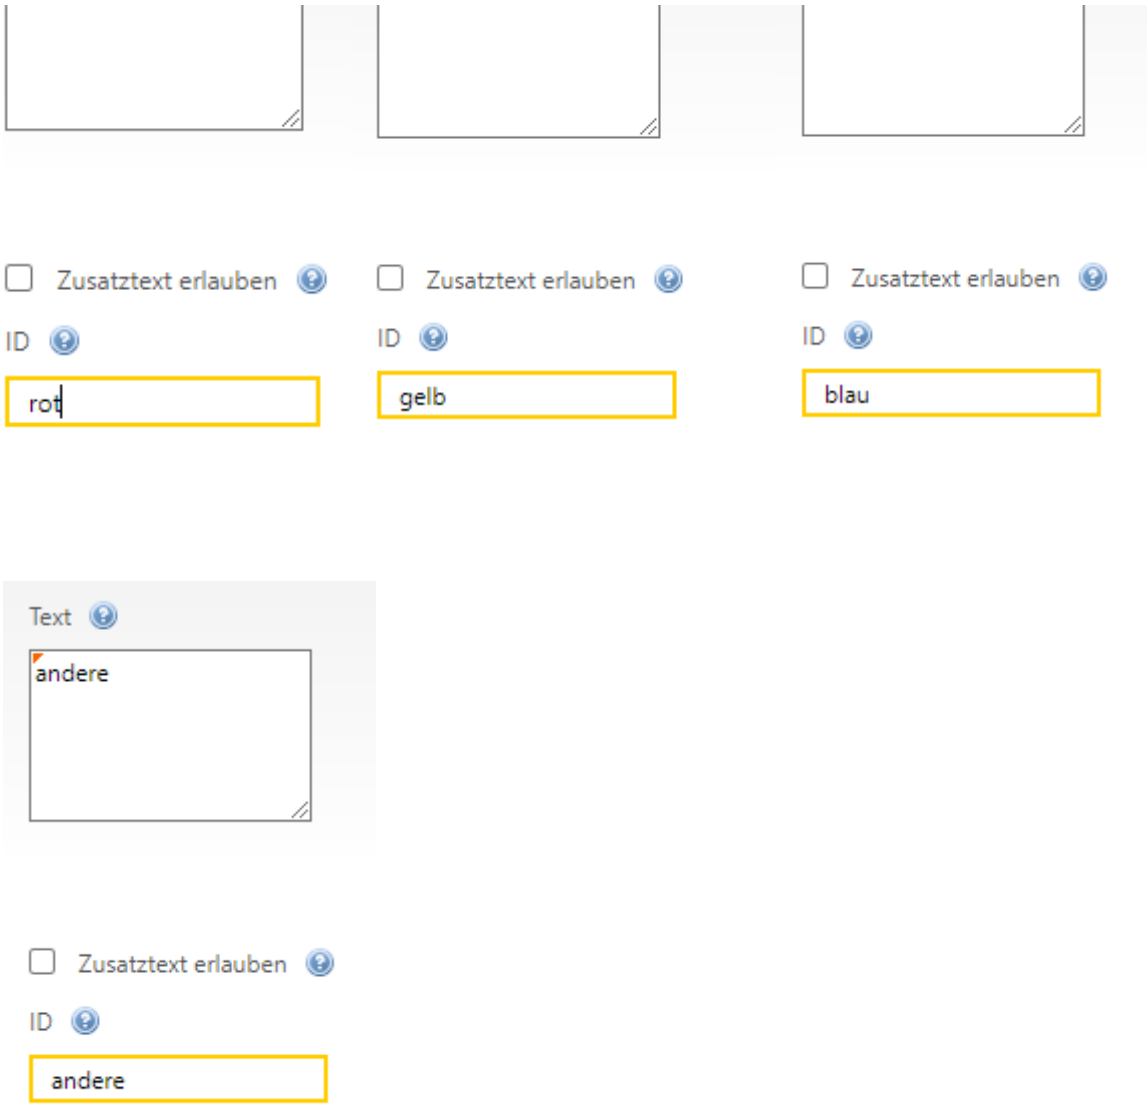

Step 1

After creating a new Page, we create the Question for it:

Step 2

Within the Question, we create the Reply options:

Step 3

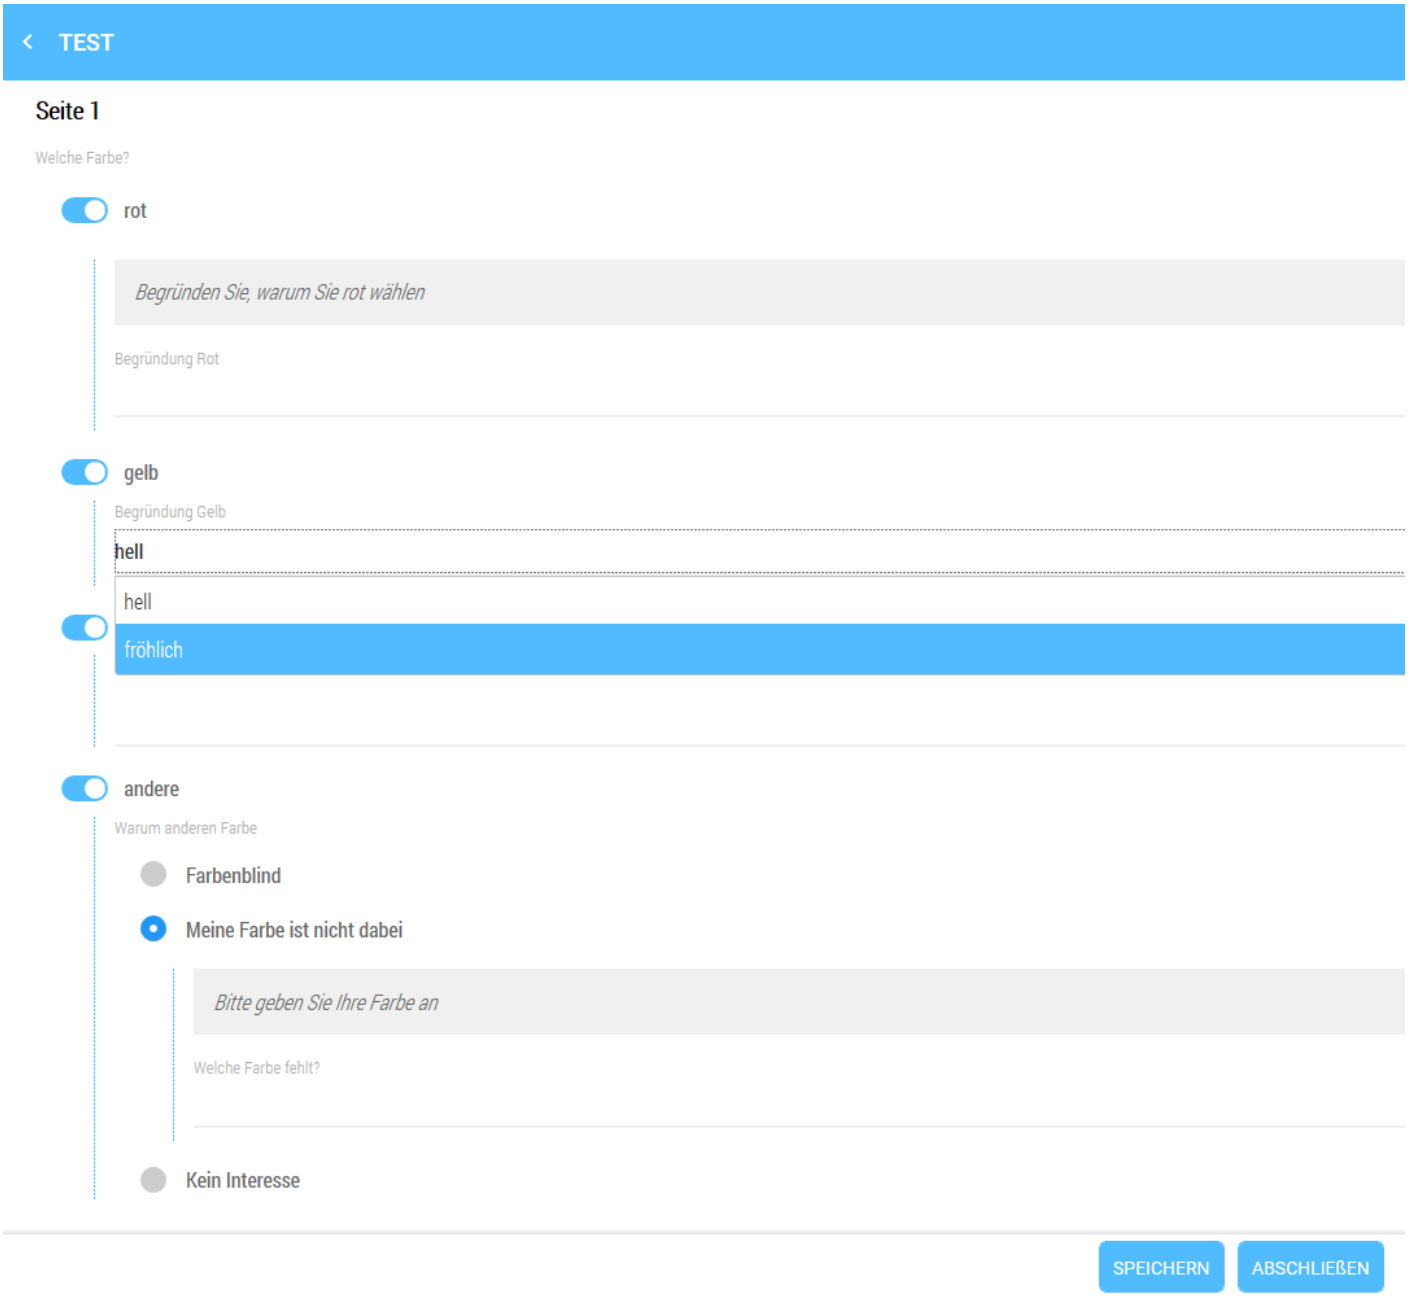

We create further subpages for the individual Reply options.

Result when creating a subpage for each Colour:

Step 4

The Result in the client:
