Operation of the Chat

With Sally, the integrated AI support, you can ask questions about Customers, Turnover and Activities directly in natural language. To a limited extent, Promotions can also be carried out.

Structure of the AI Chat

1. Enter question

Enter your question or instruction in the input field.

2. Send request

Your request is transmitted to Sally via the Send button.

3. Reply area

Sally analyses the available Data and provides suitable Replies, Summaries or Evaluations and prepares Promotions. The results of the AI serve as support and should be checked before further use.
