Menus

Burger Menu

This menu is only available on the dashboard. Here you have access to some Functions, such as Trip reports, Contacts, etc., if the corresponding widgets are not displayed.

Kebap Menu

In various places, you will find a menu in the upper blue area. Different Promotions can be performed here, depending on where you are located.

Usually, all Entries that are also available as widgets are included, or there are cross-references to other locations.

Meatballs Menu

You will find this menu when you display Lists.
